## OFFICIAL COMMUNICATION

### Men's Sprint - Qualifying (200 Time Trial)

Rider # 113 Mathew RICHARDSON (GBR) recorded a time of 9.041 in the 200m, which was originally acknowledged as a new UCI World Record.

After review of the video footage, the world record cannot be confirmed by the UCI due to the last meters of the 200m distance being ridden off the track (on the safety zone).
