

TECHNICAL INFORMATION – REMINDER OF DISPOSITIONS

Conduct of riders

- **3.2.002** Riders shall refrain from any collusion, manoeuvre or movement likely to hinder the conduct or distort the result of the race. In the case of collusion between riders, the commissaires may disqualify the riders concerned. In addition, while riding on the track, riders shall at all times be in firm control of the bicycle and have at least one hand on the handlebar (or extension)
As an exception to Article 1.3.008, riders may use their forearms as an additional point of support on the handlebar, provided that all other points of support defined by Article 1.3.008 are maintained at all times (text modified on 01.01.26).
- **3.2.003** If riders wearing the same team clothing ride in the same race, they shall bear some item to clearly distinguish between them.
- **3.2.004** Other than when prevented by circumstances beyond their control, all riders qualifying for the following round of an event must participate or else they will be disqualified **for the event and the remainder of the competition (text modified on 01.01.26).**
- **3.2.005** Riders may carry no object on them or on their bicycles that could drop onto the track. They may not bear or use on the track any music player or radio communication system. In addition, any electronic device with display (for instance speedometer or power meter) must be hidden so that it cannot be read by the riders.

Lap counter and bell

- **3.2.0017 bis** Unless otherwise provided in a specific provision, the start of the sprint lap(s), including the last lap, of a race shall be indicated by a bell. The bell shall be rung when the **head of the race** crosses the finish line, and again for any rider or group of riders who may also score points in a sprint. Points will be awarded, or the race will be over upon the next time the **head of the race** crosses the finish line. The final determination as to who the **head of the race** shall be made by the president of the commissaires' panel. Either the president, or a commissaire designated by the president, shall indicate the **head of the race** during bunch **events. (text modified on 01.01.26).**

Neutralisation

- **3.2.020 bis** Neutralised riders or teams may not return to the track within the last kilometre. Should this last kilometre start during the allowed neutralisation period of a recognised mishap, and the riders not be able to return prior to the start of the last kilometre, these neutralized riders or teams shall appear in the final placings depending on the points and laps accumulated prior to the mishap, **unless otherwise provided in a specific provision (text modified on 01.01.26).**

Restart in standing start events

- **3.2.021ter** In each round of a standing start event, a team or a rider is only permitted maximum of two starts. A restart shall only be given in the result of a false start, or in the event of a recognised mishap as per article 3.2.021.
A team or a rider who causes a further false start or suffer a further mishap in the qualifying round, which makes it impossible to finish his or her ride, shall be eliminated (DNF).
A team or a rider who causes a further false start or suffer a further mishap in the first round, which makes it impossible to finish his or her ride, shall be relegated.
A team or a rider who causes a further false start or suffer a further mishap during the finals loses the final.
If a team or rider stops after suffering a mishap and the starter determines it is not a recognised mishap, the team or rider shall be **eliminated (DNF)** from the qualifying round of the event, or be relegated

in the following rounds. (text modified on 01.01.26).

Team Pursuit

- **3.2.085** The event is organized in 3 phases:

The qualifying round to select the 4 best teams on the basis of their times.

The team having obtained the 7th fastest time against the one having obtained the 8th fastest time.

The team having obtained the 5th fastest time against the one having obtained the 6th fastest time.

The team having obtained the 2nd fastest time against the one having obtained the 3rd fastest time.

The team having obtained the fastest time against the one having obtained the 4th fastest time.

Finals:

The winners of the last two heats in the first round shall ride the final for 1st and 2nd places.

The remaining 6 teams shall be ranked according to their times from the first round and shall dispute the finals as follows: The two fastest teams shall ride the final for 3rd and 4th places.

(text modified on 01.01.26)

- **3.2.086** In the last two heats of the first round, if one team catches the other, **the starter shall fire the gun and** the catching team is declared the winner. **The catching team** shall stop as soon as possible in order to allow the other team to finish the distance and thus to record a time. In this case, if one or both teams catch their opponents, the times from the qualifying round shall be used to determine which of the two teams shall finish in the home straight.

During the finals, if one team is caught by the other, the race is over, and the catching team shall be declared the winner. **The Starter shall fire the gun to indicate that the race is over. Additionally, the Starter shall also fire the gun for each team as they finish their race if neither team catches the other.**

(text modified on 01.01.26)

- **3.2.097** When the commissaires see that a team is about to be caught, they shall, in order to avoid a collision with the other team or hinder its progress, signal to the former team with a red flag and a whistle that it may not perform any more relays and must remain at the bottom of the track until the opposing team has passed.

Any failure to act on this instruction shall result in the immediate disqualification of the team.

3.2.143 A restart will take place immediately if a **recognised** mishap occurs within the first half-lap.

After the first half-lap in the finals no mishap will be taken into consideration. (text modified on 01.01.26)

Team Sprint

- The event is organized in 3 phases as per UCI track regulations. (article 3.2.145)
- **Riding on the safety zone is never permitted.**
- **Riding on the blue band will lead to relegation or disqualification, if the team gets an advantage. It is up to the commissaires to decide, if there was an advantage or not.**

Omnium

- **3.2.251 ter** In the case of the Scratch Race, any rider not finishing the race due to a fall in the final kilometre, or not being able to return to the track during the final kilometre, will be allocated the next available ranking (and points) **after the riders who finished the race** considering the laps taken and the number of riders remaining on the track at this moment.
